About Discovery Mission

The goal of **Discovery Mission** is to let children know that God has a plan for their lives, educate them about Catholic vocations, and encourage them to say yes to Jesus! Discovery Mission uses a traditional VBS format, with half-day lessons for five days. It's designed for children in K-6, with teen helpers for the various formation stations. **Discovery Mission** is every bit as fun and engaging as some of the "big players" in the VBS market. It's 100% Catholic, and is focused on teaching kids about marriage, priesthood, and religious life.

Discovery Mission is not just good for kids, it's good for the Church!
