This is an invitation to families!

At the request of Fr. Santhosh, I am looking for families to participate in the opening procession at one of the Christmas Masses in the following way:

- 1) A little girl dressed as an angel
- 2) A little boy dressed as an shepherd
- 3) Their parents to bring the baby Jesus statuette to the manger

Costumes will be provided for the angel and shepherd. Parents do not need to dress in a costume; regular Mass attire is fine.

Please email me the day and time you want to sign up for no later than DECEMBER 19 .
