

# Walking with Jesus - A Discipleship Retreat

What does it mean to live as a disciple today? During this one day retreat, middle school youth explored that question by looking at what they believe about Jesus and looking at the various aspects of being a disciple. There were 57 youth from OLGC Youth Ministry (CYM), OLGC school, and Our Lady of Sorrows Youth Ministry who attended, accompanied by 18 adult leaders. Please enjoy reading some of their quotes about “Faith”.
